

TFEC9 Okinawa: Schedule change due to typhoon - No session on Oct. 28 (Sat)

Dear Presenters and Participants of TFEC9,

Based on the latest weather forecast and discussion with Okinawa Convention Center (OCC), we have decided to change the schedule as attached. (Note: A minor revision/correction has been made from the version sent on Oct. 25).

The time frame for each presentation is reduced to 10 minutes (i.e., 8 min presentation + 1 min discussion + change over).

We ask the presenters to prepare 8 min version of your presentation, as suggested in the previous announcement sent on Oct. 25.

Please also note that, there is still a possibility for an even worse scenario where OCC should be closed in the morning of Oct. 29 (Sun), too.

In that case, I will have to ask our Plenary speakers to significantly shorten the lecture.

Whether or not OCC will be closed on Oct. 29 (Sun) will be decided, at latest, by 15:00 of Oct. 28 (Sat). I will inform you as soon as the final decision is made.

Presenters: All presentation is regarded as “presented at TFEC9” even if the speaker has become unavailable due to the schedule change.

Welcome Reception: Welcome Reception on Oct. 27 (Fri) will be held as initially planned. We look forward to seeing you there.

Registration on Oct. 28: Registration desk will be made available also on Oct. 28 (Sat) 10:00 – 12:00 at the lobby of Laguna Garden Hotel for those staying there.

Lunch box on Oct. 28 (Sat): Lunch box on Oct. 28 (Sat) has been canceled. After the conference, we will reimburse JPY 1,000 to those who have paid for it.

Shuttle bus on Oct. 28 (Sat): Shuttle bus on Oct. 28 (Sat) has been canceled.

Those who failed to attend TFEC9 due to typhoon:

Please contact us *after* the conference because our first priority is the on-site operation and we will be unable to reply to individual e-mails until the conference period is over.

After the conference, we will make an announcement to those who failed to check-in.

Best Regards,

Koji Fukagata, TFEC9 Secretary General

Changed OS Timetable (due to suspension on Oct. 28)

(8 min presentation + 2 min discussion and change over)

Shuttle Buses

According to the regulation, the shuttle buses will be cancelled if the wind speed exceeds 20 m/s. Since the cancellation will be notified to us just 20-30 minutes before the departure time, we will be unable to notify it to the participants beforehand. In such case, our student staffs will be standing at the shuttle bus stop to notify the participants. We are sorry for the possible inconvenience.
