

## **TFEC9 Okinawa: Restart from morning of Oct. 29 (Sun)**

Dear Presenters and Participants of TFEC9,

We are pleased to announce that the conference is finally restarted from tomorrow morning!

The registration at Okinawa Convention Center (OCC) starts at 8:30, and the opening session starts at 9:30 in Room A1.

For those who take the shuttle bus from Naha city, please note that the departure time has been changed to 7:45. Please take a look at the final version of changed OS timetable with the information on the shuttle bus on the next page.

Note that the timetable on Oct. 30 (Mon) is shifted 35 minutes earlier due to the cancellation of PL3.

The time frame for each presentation is 10 minutes (i.e., 8 min presentation + 1 min discussion + change over). We ask the presenters to prepare 8 min version of your presentation.

### **# Chairpersons:**

It is expected that some session chairs cannot come to the conference.

In such case, a volunteer from the attendees is most welcomed to substitute the chairperson.

If there is no suitable person in that room, please immediately tell the student staff standing by in the room so that we can possibly send an available person.

### **# Presenters:**

All presentation is regarded as "presented at TFEC9" even if the speaker has become unavailable due to the schedule change.

If you cannot unfortunately make your presentation, I'm sorry but please give up.

Please do not try to swap the presentation time with someone else because such an attempt will definitely cause chaos.

### **# Those who failed to attend TFEC9 due to typhoon:**

Please contact us *after* the conference because our first priority is the on-site operation and we will be unable to reply to individual e-mails until the conference period is over.

After the conference, we will make an announcement to those who failed to check-in.

Best Regards,

Koji Fukagata, TFEC9 Secretary General

## Changed OS Timetable (Final Version)

(8 min presentation + 2 min discussion and change over) Note: PL3 is canceled.

16:35-16:55		Closing (Room A1)										
16:55-20:30		Free Discussion										

### Shuttle Buses

According to the regulation, the shuttle buses will be cancelled if the wind speed exceeds 20 m/s. Since the cancellation will be notified to us just 20-30 minutes before the departure time, we will be unable to notify it to the participants beforehand. In such case, our student staffs will be standing at the shuttle bus stop to notify the participants. We are sorry for the possible inconvenience.
